Highlights of the College

- Sri Sarada College of Nursing was established to promote highest standards in nursing profession.
- The College is located within the Town Limits. It occupies multistoreyed building with well equipped spacious laboratories for each department. It is nearer to busstand and railway station.
- Facilities are provided for staff and students to make scientific presentations for seminars & conferences.

Clinical Facilities

- The College is attached to Govt. District Primary and Urban Health Centres, and tieup with various multispeciality hospitals(200 bedded) within the city for clinical training in various Departments.
- The outpatient and inpatient departments, casualty are located in the multi speciality hospitals where the students can get practical exposure to all real life health problems and how to handle them with courage and skill.

Hostel

- Separate Hostel facility is provided both boys and girls with well furnished rooms. Special care will be taken to the students by the warden.
- Special care will be taken to make the food dietetically well balanced and delicious at a reasonable pay. Both Andhra and Kerala food will be prepared by specialised cooks.
- To create a feeling of home away from the home, all other facilities for recreation and 24 hours telephone facility etc., are available for the benefit of students and staff.
- Trained personnel like Wardens and Aiyas are present in the hostels to provide a sense of security in the hostels to serve and advice in terms of moral support.

Library

- A large well stocked library with text books, reference books, encyclopaedias etc., book published in India and abroad giving an ideal environment for student to study.
- Library is interlinked with Dr. N.T.R University of Health Sciences.
- We provided library and information services such as reference material on DVDs, CDs, Video Presentations, books and journals.

Faculty

- We are having highly experienced faculty in their faculty areas. Faculty are very caring, supporting and approachable to every student which is the basic ingredient to the professional education. They conduct weekly exams on different subjects and internate the report to the parents.

Transportation Facilities

- Transportation facility is provided to the students for attending clinical training to the hospitals with our own buses.

Discipline

- All students are to abide strictly by the discipline and routine of the college at all times as laid down by the College authorities.

Co-curricular Activities

- In order to ensure the development of the total personality of the students, the college provides ample of opportunities for all students to engage themselves in a wide variety of co-curricular activities
